## HOBBIES

In my free time, I enjoy surfing, camping, and spending quality time with friends.

## EDUCATION

### ESCOLA SECUNDÁRIA DE MIRAFLORES
Lower and Upper Secondary Education | 2015 - 2022
I attended and completed secondary education with a focus in Socio-Economic Sciences.

### INSTITUTO SUPERIOR DE ENGENHARIA DE LISBOA
Computer Science and Software Engineering | 2022 - Present
I am currently studying at ISEL, where I am in the third year of my bachelor's degree. I have experience with various programming languages as well as hardware description languages. On GitHub, under my profile _bernardoascensao_, you can find both individual and group projects that I have developed.

### BRITISH COUNCIL
Student | 2018 - 2019
I attended the British Council in 2018 and 2019 to improve my English skills. During this time, I learned how to organize group projects, delegate tasks, and developed soft skills in a foreign language.

## EXPERIENCES

### JUNIOR ACHIEVEMENT
National Winner of Junior Achievement | 2022
National winner of the "A Empresa" project by Junior Achievement and national representative in the European competition. This project involved forming a group of young students who were encouraged to use creativity and independence to brainstorm a business idea, delegate tasks, and create a product. Through this project, I had the opportunity to engage more closely with the professional world and develop skills in my field, as I was responsible for the engineering aspect of the product. At the European competition, I also had my first experience interacting with people from different backgrounds and within my area, which helped broaden my perspective on certain topics.

### JOVENS EM MOVIMENTO
Oeiras City Council | 2021 - 2022 – 2023
I participated in the Youth in Action Program organized by the Oeiras City Council, which aims to raise public awareness about the importance of caring for beaches and their access points to keep them cleaner and reduce pollution, especially in the oceans.

## SKILLS

Experience in modern technologies and a focus on scalable solutions. Proficient in **Kotlin, JavaScript, TypeScript, C, Python, and Java**, with expertise in **frontend** (HTML, Tailwind, CSS, React, Jetpack Compose) and **backend** (Node.js, Express.js, Spring).
Skilled in databases like **PostgreSQL, MongoDB**, and **ElasticSearch**, with the ability to integrate systems and optimize performance. Versatile, collaborative, and quick to adapt to new challenges.
